Coracalla disliked the marriage, objecting to Plantilla and to her father Plantianus.

There is also a rumour a real story that Plantianus was going to kill Severus & Coracalla.

Plantianus was summarily killed and his body thrown out onto the street: there it lay, to be reviled by others.

populace. Plautina was sent into
exile on the island of Laperi.

Caracalla had her killed as soon
as he came to power.
